**Project:** Housing Eviction Advocacy and Law (HEAL) Fellow

**Location:** Bemidji, MN

**Description of Fellow Project:**

The Housing Eviction Advocacy and Law (HEAL) Fellow will work in the northwest Minnesota counties of Beltrami, Clearwater, Hubbard, Mahnomen, and Lake of the Woods Counties. The Fellow will be involved in comprehensive civil legal aid work with significant client contact, but also work to develop strong connections with landlords. The HEAL Fellow will work with landlords to find mutually beneficial alternatives to eviction and ask them to refer low-income clients at risk of losing housing to Legal Services of Northwest Minnesota (LSNM). The HEAL Fellow will develop and conduct landlord forums to address systemic issues.
